Lighting the Lamp of Knowledge

May 18, 2018

Dear Parents,

This summer our school will be under construction and be considered a construction site. No parents or visitors will be allowed access to the campus.

All registrations for Lighthouse Elementary will take place at Jupiter Middle School (right next door off of Dakota Drive) in the front office. Our summer registration hours will be from 8:00 – 10:00 a.m. on Mondays and Tuesdays. On Wednesdays, we will accept registrations from 1:00 – 3:00 p.m. If you need to set up a special time to register, please contact Marie Mustelier at (561) 741-9404.

Thank you in advance for your understanding!

Sincerely,

A handwritten signature in blue ink that reads "Dr. Hopkins".

Dr. Hopkins, Principal
